NATIONAL SOCIALIST WHITE PEOPLE'S PARTY,  
Also Known As The American Nazi Party,  
American Nazis, The World Union of Free  
Enterprise National Socialists, The  
George Lincoln Rockwell Party

On May 29, 1968, a source advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP - WUFFENS) was organized by George Lincoln Rockwell at Arlington, Virginia, on February 26, 1956. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by Adolf Hitler. The ANP - WUFENS supports and follows the line of hatred against Negroes, Jews, and Communists, through speeches, published literature, demonstrations, and publicity - seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander Rockwell.

On August 25, 1967, George Lincoln Rockwell was assassinated in Arlington, Virginia, near the ANP Headquarters Building. The August 28, 1967 issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that Matthias Koehl, Jr., took command of the Party after Rockwell's assassination.

AT PHOENIX, ARIZONA

On September 8, 1970, all of the information developed in this matter was discussed with Assistant United States Attorney [redacted] and he advised that in his opinion, there was no Federal jurisdiction since the parties mentioned in the threat do not come within the purview of the Assaulting, Kidnapping, Killing of the President or Vice-President statute. Since this jurisdiction does not exist, in his opinion, there can be no conspiracy violation and in addition, he advised that since no agreement was reached between these parties in the furtherance of any conspiracy regarding any interstate travel to commit any crime, no further investigation was deemed justified.

APPENDIX

MINUTEMEN

The Minutemen, whose headquarters are in Norborne, Missouri, was organized in June, 1960, by Robert Bolivar De Pugh, who has been publicly identified as the National Coordinator of the organization since its inception. On September 8, 1969, he announced the appointment of his 23-year-old son, Ralph C. De Pugh, to serve in this position while he completes a one year sentence in the U. S. Penitentiary for violation of the Federal Firearms Act.

Past statements by Robert De Pugh and literature distributed by the organization indicate the purpose of the Minutemen to be the resistance to and exposure of, the spread of Communist influence within the United States; for the formation of a guerrilla or underground organization to combat the troops of any foreign powers which might eventually occupy this country; and resist passage of laws which would regulate private ownership of firearms.

A source, who in July, 1969, had access to some Minutemen records, estimated that approximately 2500 individuals have in the past expressed an interest in the Minutemen and have been considered as members by De Pugh; however, source believes there are probably no more than 300 actual active members of the organization. A second source in October, 1969, advised that the Minutemen tend to grossly exaggerate the number of their members. The source estimated the actual membership to be no more than possibly 350 members.

In April, 1966, De Pugh, in his book Blueprint For Victory, wrote the Minutemen organization was then dividing into two bodies; the Minutemen and the Patriotic Party. One group, the Minutemen, would be the resistance movement and the other, the Patriotic Party, whose proper function would be to serve as the political arm of a complete patriotic resistance movement.

Members of the Minutemen organization, including Robert De Pugh and his chief assistant, Walter P. Peyson, have been arrested in the past on charges of violations of the Federal Firearms Act, Bank Robbery-Conspiracy, Illegal Possession of Firearms and Conspiracy to Commit Arson. They have also engaged in maneuvers utilizing guerrilla tactics, wherein machine guns, mortars, grenades, and other firearms were employed.

## SENATOR FULBRIGHT DEMANDS U.S. TROOPS BE SENT TO ISRAEL

Senator 'Willy' Fulbright, the kosher creep from Arkansas has again stabbed White America in the back. His latest act of treason was heard before the U.S. Senate on August 24 when he demanded that the United States should send troops to Israel to protect her boundaries.

This scum bag liberal wants the Senate to draw up and approve a treaty that would go over the presidents head and commit our already weakened armed forces in a war with the Arabs which would most assuredly provoke a war with Russia.

Willy is a typical example of the liberal creeps that infest Washington these days. One day they deplore acts of war and violence against our communist enemies and on the next day they advocate and provoke war and support Zionist genocide against Arab patriots and refugees.

This red traitor is surely on the list of all American Patriots to be disposed of. Either by the ballot or by more definite means.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY,  
Also Known As The American Nazi Party,  
American Nazis, The World Union of Free  
Enterprise National Socialists, The  
George Lincoln Rockwell Party

On May 29, 1968, a source advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP - WUFFENS) was organized by George Lincoln Rockwell at Arlington, Virginia, on February 26, 1956. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by Adolf Hitler. The ANP - WUFENS supports and follows the line of hatred against Negroes, Jews, and Communists, through speeches, published literature, demonstrations, and publicity - seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander Rockwell.

On August 25, 1967, George Lincoln Rockwell was assassinated in Arlington, Virginia, near the ANP Headquarters Building. The August 28, 1967 issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that Matthias Koehl, Jr., took command of the Party after Rockwell's assassination.
